

Heart Doily Assortment

Add romance to your decor and Valentine gifts with heart doilies.

Recipe

Valentine Box

- Assorted Wimpole Street Creations heart doilies
- Box
- Wimpole Street Creations chenille, fabric or paint
- Glue

Paint or cover the box with chenille or fabric. Arrange and glue lace hearts and flowers to decorate the box.

Recipe

Heart Garland

- Three matching or assorted 2"-4" Wimpole Street Creations heart doilies
- Satin ribbon
- Sugar stiffener
- Chenille needle
- Glue

Weave 1/8" satin ribbon around the hearts if desired. Saturate the hearts with the sugar stiffener and lay on foil or waxed paper. Allow to air dry completely. Tie the hearts side-to-side with bows, leaving 10" - 12" of ribbon at each end of the garland. Decorate the hearts with ribbon roses or tiny dried flowers. Create a hanger with matching ribbon. ALTERNATE: You can also thread the hearts end-to-end for a vertical garland.

Sugar Stiffener

- 1/2 cup water
- 1/2 cup sugar

Mix sugar and water and bring to a boil. Let cool. This is a non-permanent hard finish.

Candy Door Hanger

- Two matching Wimpole Street Creations heart doilies
- Satin ribbon
- Chenille needle
- Glue, optional

Place the hearts with wrong sides together. Weave the ribbon through the lace edges of both doilies, beginning and ending at the top of both sides of the heart. Attach a double ribbon handle and tie into bows at the sides. Decorate as desired. Fill the heart door hanger with candy, jewelry or a valentine and leave on your sweetheart's door.

Beaded or Personalized Heart

- Wimpole Street Creations cutwork or fabric and Battenburg doily
- Needle and thread
- Glue, optional
- Assorted beads

Bead tiny hearts and flowers or trace a name on the center fabric of the heart and outline with beads.

Recipe

Apron with Hearts

- Purchased apron
- Three matching Wimpole Street Creations heart doilies
- Three 3/4" buttons
- One yard of coordinating embroidery floss
- Iron-on liquid fusible
- Chenille needle

Apply a thin line of liquid fusible on the wrong side, outside edge of the doilies. Center the doilies on each pocket or on the front of the apron. Fuse in place, following manufacturer's instructions. Hand-sew the buttons to each doily, using six strands of floss. Tie knots on top of the buttons.

Recipe

Infant Onesie with Hearts

- Three matching 4" Wimpole Street Creations fabric and Battenburg hearts
- Infant onesie
- Two ribbon roses
- Sewing machine and matching thread or washable fabric glue

Pin the heart doilies along the hip line on the back of the onesie as shown. Sew around the outside lace edges of the hearts with a narrow zigzag stitch. Hand-stitch or glue the roses between the hearts. Allow the glue to dry thoroughly.
