

Heart Doily Assortment

Add romance to your decor and Valentine gifts with heart doilies.

Recipe

Valentine Sachets

- Two matching Wimpole Street Creations heart doilies
- Potpourri
- Narrow ribbon
- Chenille needle
- Glue, optional

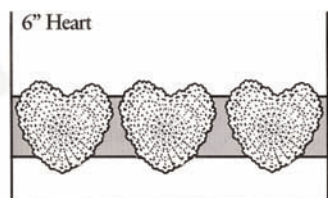

Decorate the right sides of the hearts with embroidery, ribbon roses, or personalize with a permanent marker. Place the hearts together and hand-stitch around the lace edges with narrow ribbon, using a chenille needle. Leave an opening in the top to fill with potpourri. Finish stitching around the edges of the hearts. Knot the ribbon and tie into a bow. **QUICK OPTION:** The hearts can be glued together along the edges.

Recipe

Heart Border Dishtowel

- One Wimpole Street Creations dishtowel
- One – three 4", 6" or 8" matching Wimpole Street Creations heart doilies
- 1/8 yard of coordinating fabric
- 1/4 yard of fusible web
- Matching thread
- Liquid fusible, optional

Cut a 4-1/2" x 22" piece from the fabric and a 4" x 22" piece from the fusible web. Center and apply the fusible web to the wrong side of the fabric, following manufacturer's instructions. Fold and press under 1/4" on both long edges of the fabric. Remove the paper backing from the fabric. Position and fuse the fabric to the dishtowel. Wrap the ends around the sides of the dishtowel and trim to 1/2" beyond each edge. Fold the edges under to match the width of the dishtowel. Machine-stitch the border to the dishtowel along the folded edges. Fuse or sew the doilies on top of the border as desired.

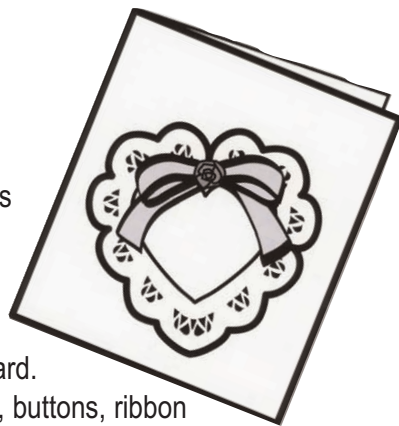

Heart Doily Assortment

Recipe

Valentine Card

- Assorted Wimpole Street Creations heart doilies
- Colored construction paper
- Glue

Cut the construction paper to the desired size for a card.

Glue hearts on the card. Decorate with candy hearts, buttons, ribbon roses, etc. Write your special message on the back or inside the folded card.

Recipe

Cool-Aid Hearts

- Assorted Wimpole Street Creations heart doilies
- Powdered punch mix (sugarless)
- Water

Choose pink or red powdered punch and mix with one cup of hot water for a concentrated dye. Be sure to dissolve the powder completely. Add the heart doilies to the dye and let soak to desired shade. Rinse. Lay the doilies flat on paper towels to air dry. Press as needed.

Sweetheart Dinner Decorations

- Assorted Wimpole Street Creations heart doilies

Scatter heart doilies all over the table for your Valentine's dinner.

Recipe

Heart Picture Frame

- Wimpole Street Creations fabric & Battenburg heart doily
- Photograph (proportionate to the doily)
- Glue

Cut the center fabric from the heart just inside the tape (see diagram). Determine the placement of your photo and lightly mark along the outside edge. Put a small amount of glue on the wrong side, around the outside edge of the lace, and glue in place. Trim away the excess edges of the photo.
