## Hemstitched Placemat with Yo-Yo Border and Coordinating Napkin Ring

For each placemat, napkin and napkin ring set you will need:

- One *Wimpole Street* 14"x 20" hemstitched placemat
- One *Wimpole Street* 16" square hemstitched napkin
- 49 *Wimpole Street* small yo-yos
- 9" of 3/8" or 5/8" coordinating grosgrain ribbon
- Washable fabric glue

**Placemat** - Position and glue the yo-yos in 3's around the border of the placemat, as shown in the diagram. You will need 9 yo-yos for each short end and 12 yo-yos for each long end of the placemat.

**Napkin Ring** - Glue seven yo-yos closely together on the ribbon, beginning at one end. Form a circle with the yo-yo strip and glue the excess ribbon under the beginning of the strip to create the napkin ring.

Allow the glue to dry thoroughly before using the placemat and napkin ring.

Note: Yo-Yos are hand-made and sizes of finished projects will vary.
