

Recipe

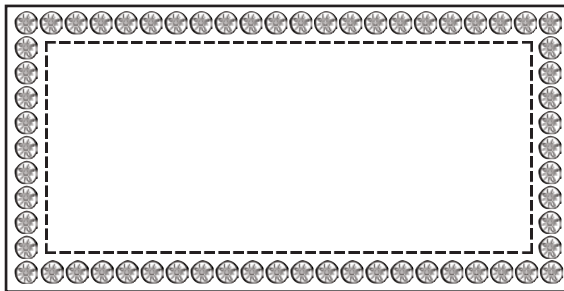

Hemstitched Runner with Yo-Yo Border

For each runner you will need:

- One *Wimpole Street* 16"x 36" hemstitched runner
- 66 *Wimpole Street* large yo-yos
- Washable fabric glue

Place the yo-yos around the border of the runner as shown in the diagram. Adjust placement for desired color combination and glue in place. You will need 11 yo-yos for each short end and 22 yo-yos for each long side of the runner.

Allow the glue to dry thoroughly before using the runner.

Note: Yo-Yos are hand-made and sizes of finished projects will vary.
