## Yo-Yo Birdhouse Ornament

For each birdhouse you will need:

- Two 4" or 6" *Wimpole Street* heart doilies
- Ten to twelve *Wimpole Street* yo-yos
- 1"-1-1/4" dark button
- 6" piece of coordinating embroidery floss for hanger
- Polyester fiberfil
- Low temp or craft glue

Glue the tape edges of the doilies together, leaving a 3" opening. Lightly stuff the doilies with fiberfil and glue the opening closed to form the birdhouse. Glue the yo-yos around the outside edge of the birdhouse as shown in the diagram. Sew or glue the button to the front. Thread the floss through the top for a hanger.

**VARIATION:** Birdhouse applique for home decor or clothing. Use a single doily and omit the fiberfil.

Note: Yo-Yos are hand-made and sizes of finished projects will vary.
